### Review report

# To the Board of Directors of Alkem Laboratories Limited

We have reviewed the accompanying statement of Unaudited Consolidated Financial Results ("the Statement") of Alkem Laboratories Limited ('the Company') and its subsidiaries (the Company and its subsidiaries constitute 'the Group') for the quarter and nine months ended 31 December 2015, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing regulations'). This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 12 February 2016. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We did not review the interim financial results of four subsidiaries included in the unaudited consolidated financial results, whose interim financial results reflect total revenues of Rs. 4,139.3 millions and Rs. 12,106.0 millions for the quarter and nine months ended 31 December 2015, respectively, and total profit after tax of Rs. 184.7 millions and Rs. 698.0 millions for the quarter and nine months ended 31 December 2015, respectively as considered in the unaudited consolidated financial results. These financial results have been reviewed by other auditors whose reports have been furnished to us by the Management and our report on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors.

The unaudited consolidated financial results includes the interim financial results of thirteen subsidiaries which have not been subjected to limited review by their auditors and are based solely on the management's accounts, whose interim financial results reflect total revenues of Rs 514.6 millions and Rs 1,314.6 millions for the quarter and nine months ended 31 December 2015, respectively, and total loss after tax of Rs 147.5 millions and Rs 262.2 millions for the quarter and nine months ended 31 December 2015, respectively, as considered in the unaudited consolidated financial results.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the Accounting Standards as per Section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

# Review report (Continued) Alkem Laboratories Limited

We draw attention to note 5 to the Statement, which states that the Company got listed in the month of December 2015 and that the Statement for the quarter and nine months ended 31 December 2015 are drawn up for the first time in accordance with Regulation 33 of the Listing regulations. Therefore, figures for the quarters ended 30 September 2015 and 31 December 2014 and for the nine months ended 31 December 2014 were neither subjected to limited review nor subjected to audit and are as prepared by the Company's management.
