Attention is drawn to the fact that the figures for the quarter ended 31 March 2018 and the corresponding quarter ended in the previous year as reported in these consolidated financial results are the balancing figures between consolidated audited figures in respect of the full financial year and the published year to date consolidated figures up to the end of the third quarter of the relevant financial year. Also, the figures upto the end of the third quarter has only been reviewed and not subjected to audit.

These consolidated financial results have been prepared from annual consolidated financial statements and reviewed quarterly consolidated financial results upto the end of third quarter, which are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial results based on our audit of such annual consolidated financial statements which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion

We did not audit the financial statements of nineteen subsidiaries included in the consolidated financial results, whose annual financial statements reflect total assets of Rs. 16,501.5 million as at 31 March 2018 as well as the total revenues of Rs. 11,321.1 million for the year ended 31 March 2018, as considered in the consolidated annual financial results. These annual financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the consolidated annual financial results, to the extent they have been derived from such annual financial statements is based solely on the reports of the other auditors. Our opinion is not modified in respect of this matter.

**Independent Auditor's Report on Consolidated Financial Results of  
Alkem Laboratories Limited Pursuant to the Regulation 33 of the SEBI

(Continued)**

**Alkem Laboratories Limited**

Certain of these subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries.
