Limited review report

To Board of Directors of Alkem Laboratories Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Alkem Laboratories Limited (“the Parent”) and its subsidiaries (the Parent and its subsidiaries together referred to as “the Group”), for the quarter ended 30 June 2021 (“the Statement”), being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (‘Listing Regulations’).
2. This Statement, which is the responsibility of the Parent’s management and approved by the Parent’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “*Interim Financial Reporting*” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*”, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the following entities:

We have reviewed these conversion adjustments made by the Company's management. Our conclusion in so far as it relates to the balance subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Company and reviewed by us.

Our conclusion on the Statement is not modified in respect of the above matters.

8. The Statement includes the interim financial information of 13 subsidiaries which have not been reviewed, whose interim financial information reflect total revenue (before consolidation adjustment) of Rs. 275 million, total net profit after tax (before consolidation adjustment) of Rs. 1 million and total comprehensive loss (before consolidation adjustment) of Rs. 29 million for the quarter ended 30 June 2021. According to the information and explanations given to us by the management, these interim financial information are not material to the Group.

Our conclusion on the Statement is not modified in respect of the above matter.
